

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD  
SAN FRANCISCO BAY REGION

ORDER NO. 77-133

WASTE DISCHARGE REQUIREMENTS FOR:

CITY OF PIEDMONT AND MOUNTAIN VIEW  
CEMETERY ASSOCIATION, MORAGA AVENUE  
CLASS III DISPOSAL SITE, ALAMEDA COUNTY

The California Regional Water Quality Control Board, San Francisco Bay Region, (hereinafter called the Board) finds that:

1. City of Piedmont submitted a report of waste discharge for its Moraga Avenue disposal site dated April 21, 1976.
2. The discharger leases the site from the Mountain View Cemetery Association and proposes to operate, improve, and maintain the existing landfill for disposal of group 3 wastes. The site is located in a canyon north of Moraga Avenue, between Redrock Road and Pala Avenue as shown in Attachment A, which is incorporated herein and made part of this Order.
3. The bedrock which underlies the area consist of the Franciscan formation which is a complex soil assemblage ranging in composition through sandstones, shales, and sheared clay-rich sandstone. The material which will be placed in the fill will consist of broken concrete, asphalt, rock and tree trimmings. At present about 2500 cubic yards of material is deposited each year.
4. This disposal site meets the criteria contained in the California Administrative Code, Title 23, Chapter 3, Subchapter 15 for classification of a portion of the site as a Class III disposal site to receive group 3 wastes.
5. The land within 1000 feet of the site is devoted to residential use and as a cemetery.
6. The Board adopted a Water Quality Control Plan for the San Francisco Bay Basin in April 1975 and this Order implements the water quality objectives stated in that plan.
7. The Board has notified the discharger and interested agencies and persons of its intent to prescribe waste discharge requirements for the discharge and has provided them with an opportunity for a public hearing and an opportunity to submit their written views and recommendations.
8. The Board, in a public meeting heard and considered all comments pertaining to the discharge.

9. This project involves the continued operation of a privately owned and publicly operated class III solid waste disposal site. The project will not have a significant effect on the environment pursuant to the California Environmental Quality Act and is exempt as provided in Section 15101, Title 14, California Administrative Code.

IT IS HEREBY ORDERED, that the City of Piedmont and Mountain View Cemetery Association, hereinafter the discharger, and any other persons that shall own the land or operate this landfill, shall comply with the following:

A. Waste Disposal Specifications

1. The treatment or disposal of wastes shall not create a nuisance as defined in Section 13050(m) of the California Water Code.
2. Waste materials shall be confined to the designated disposal area shown on Attachment A.
3. The erosion of deposited waste materials from the disposal area shall be prevented.
4. Waste materials deposited shall be limited to group 3 wastes. Wood and metal materials mixed with the group 3 wastes shall not constitute greater than 10 percent by volume of incoming waste loads.
5. Group 1 or 2 wastes and hazardous wastes shall not be deposited or stored at this site.
6. Any wastes which are discharged at this site in violations of these requirements shall be removed.

B. Provisions

1. The discharger shall comply with all portions of this Order immediately upon adoption.
2. The discharger shall maintain a copy of this Order at the site so as to be available at all times to site operating personnel.
3. One hundred and eighty (180) days prior to cessation of this disposal site, the discharger shall inform the Board regarding his intent to close the site. In addition, the discharger shall submit a technical report describing the methods and controls to be used to assure protection of surface and groundwater.
4. This Board considers the property owner to have a continuing responsibility for correcting any problems which may arise in the future as a result of this waste discharge or water applied to this property during subsequent use of the land for other purposes.

5. The discharger shall permit the Regional Board:

(a) Entry upon premises on which waste are located or in which any required records are kept,

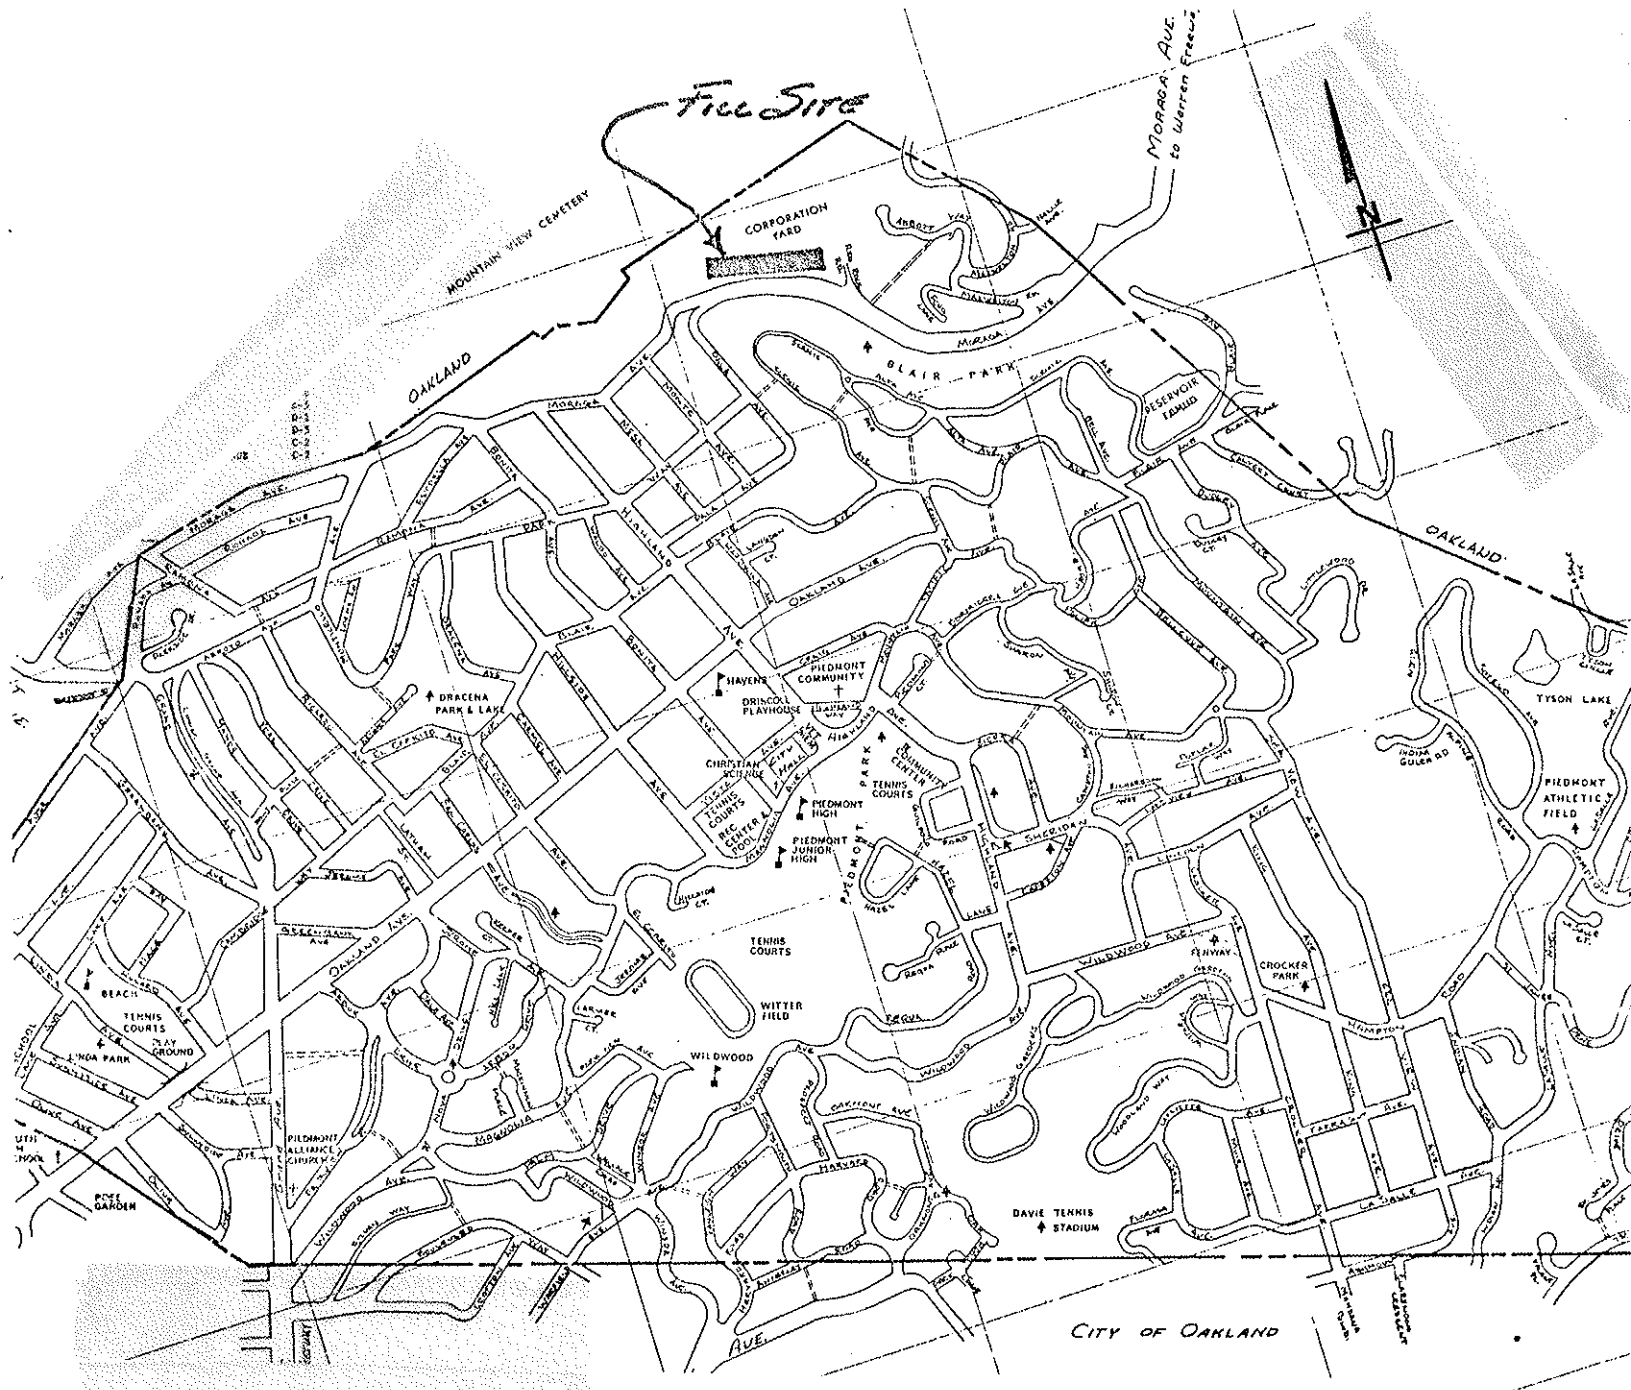

(b) Access to copy any records required to be kept under terms and conditions of this Order.

6. The discharger shall file with this Board a report of any material change or proposed change in character, location or quantity of this waste discharge. For the purpose of these requirements, this includes any proposed change in the boundaries, contours, or ownership of the disposal area(s).

I, Fred H. Dierker, Executive Officer, do hereby certify the foregoing is a full, true and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region on October 18, 1977.

FRED H. DIERKER  
Executive Officer
